Transition Timeline

As your child moves toward adulthood it is important to understand the transition timeline so he or she will get the most out of adult life.

Tuesday, February 28

Behavior Management

Learning to manage inappropriate behaviors is a key to your child's well-being and happiness, and yours too.

Tuesday, March 27

Bullying

Bullying and its effects have become a major concern in our society. A disability may make a child even more vulnerable to bullying.

Tuesday, April 24

New Ideas in Autism

Rates of autism have increased 10 to 17 percent annually in recent years. Information and understanding are also on the rise.

Tuesday, May 22

Sibling Issues

It can be difficult to be the sibling of a child with a disability. Hear from a panel of siblings about the difficulties and the joys that come with this special relationship.

Tuesday, September 25

Understanding the IEP

Understanding and information will make you the best advocate for your child when it comes to forming and implementing the IEP.

Tuesday, October 23

ADHD

What you may see as just bad behavior might be something more. We will explore current thoughts on diagnosis and treatment.

Tuesday, November 13

Family Connections

Extended family members often have difficulty relating to and connecting with a child who has a disability. We will look at ways to help enhance understanding and connections.

If Baltimore County Schools are 2 hours late or canceled, we will cancel also.
