#### **Kennedy Center EEI Internship**

**Fall 2008**

The Kennedy Center will continue the experiential Education Initiative (EEI) internship program in which Kennedy Center staff will provide individuals with a documented intellectual disability an opportunity to work in the performing arts setting at the Kennedy Center. The goal is to allow people who meet the criteria and have demonstrated interest in the performing arts with a structured internship program to build professional development skills, exposure to the performing arts, and social skills.
